

MS topcoat A4 Automatic Powder Gun

Efficiency and Reliability
in Powder Coating
Technology

- ◆ State-of-the art digital control and advanced gun technology improves transfer efficiency, surface finish and powder consumption.
- ◆ Our latest digital high-voltage technology allows for the precision setting of spray parameters.
- ◆ Spray programs and powder output can be set directly on the gun, while the easy-to-clean gun design facilitates fast color change. Consumables are easily replaced for fast maintenance.

MS topcoat A4 Automatic Powder Gun Features

Powder output and spray programs can be set on the gun
Latest digital high-voltage technology 0–100 kV / 1–100 μ A
Suitable for all powder types
Excellent reliability
Wide range of nozzles
Superb color-change capability

Specifications

A4 Automatic Powder Gun

Weight	470g
Length	350mm
Output voltage	100 kV
Input air pressure	0.6MPa-0.8MPa
Polarity	Negative
Protection rating	IP 64
Powder output	450g / min (max.)
Workable powder	Plastic powder Metallic-powder
